Organizations that use Mailman

Organizations that Use Mailman

If your organization uses Mailman and would like to advertise that, please add your name to the table below. This is an honor system, so please add yours to the appropriate list, keeping items in alphabetical order. Include all relevant information, but note that the wiki admins reserve the right to reorganize or remove entries.

The list of users has been subdivided into the following categories. Please select the one that's most appropriate for you.

- Open Source Projects
- Non-profits
- Educational Institutions
- Commercial Organizations
- Other
